

YOS Independent School

Release of Information

Consent Agreement

In order to best meet your child's needs and assist in the collection of information, important to their application, it may be necessary to liaise with your child's previous school to obtain updated information on how best to support their needs.

Under the new privacy legislation, schools are not at liberty to divulge information about any student. Therefore we require permission from you as the parent / caregiver in order to request and discuss any relevant information.

Please sign the Consent Agreement below. If you have any queries relating to the release of information regarding your daughter / son, please contact YOS Independent School.

I, _____ give permission to YOS Independent School to obtain information from and give relevant information to the primary / previous school, specialist practitioners etc., about my daughter / son.

I have been assured that such communication shall be conducted in accordance with YOS Independent School's Privacy Policy which will at all times uphold my daughter's/ son's dignity, and if applicable, that of their family and caregivers.

Signed: _____
(Parent / Caregiver)
